

## *Letter from Executive Director*

In the nine years I have been Executive Director of Kentucky CancerLink, I have been exposed to the best of times and very difficult times of providing direct patient services in the non-profit world.

So much more could be done to improve the lives of families and individuals if we increase investment in our local non-profits. At Kentucky CancerLink, we see the benefits to individuals receiving transportation assistance. We see the impact of providing access to a preventive cancer screening. We see lives saved and lives improved.

Non-profits have the knowledge, passion, and programs to transform lives and strengthen our communities. It is up to us to ensure they have the financial support to maximize their impact.

My hope is that you will designate your contribution today, Kentucky Gives Day, to Kentucky CancerLink so that we can continue our mission to provide hope to our neighbors across the Commonwealth. UNTIL there is a cure for cancer, Kentuckians need help TODAY. Your support can improve the lives of the most vulnerable.

Happy giving!!

Donate to provide funding to help with our **#1 request** for financial assistance: **transportation to and from cancer screenings or cancer-related medical appointments.**

Each month Kentucky CancerLink has approximately 45-60 Kentucky cancer patients on a waiting list for transportation assistance.

## In their own words...

"CancerLink has really helped me with the gift card to get gas. I now don't have to worry about having to come up with gas money for people to take me to my chemo appointment."

*Welcome Priscilla Johnson*

*Kentucky CancerLink Community Outreach*

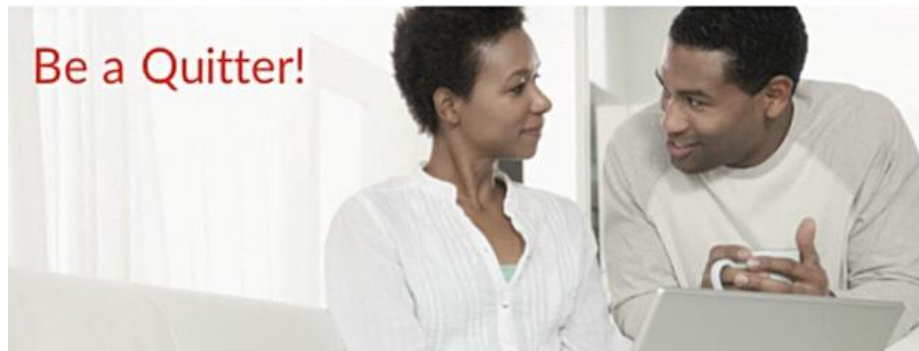

Priscilla joined the Kentucky CancerLink team in mid-March to head up Kentucky CancerLink's Community Outreach. She has a vast amount of experience in the Commonwealth and is retired from the government.

Priscilla has been a valuable member of the team and is working hard to expand the reach of Kentucky CancerLink by educating our community about the mission and goals of our organization.

We are thankful she is lending her knowledge and passion to the organization! If you would like to schedule a meeting with Priscilla to discuss ways that you can partner with Kentucky CancerLink, call 859.309.1700 or email, [priscillaj@kycancerlink.org](mailto:priscillaj@kycancerlink.org).

Welcome, Priscilla!

**#UNTIL -- JUNE 2017**

UNTIL there is a cure for cancer,  
Kentuckians need help TODAY!

#UNTIL is an awareness and fundraising campaign that brings to light the barriers faced by Kentuckians in need of evidence-based cancer screenings or treatment of cancer.

Barriers can include:

- Transportation to and from cancer screenings or cancer-related medical appointments - #1 request
- Access to cancer screenings
- Childcare issues while in treatment
- Insurance issues (copay and deductible expense)
- Mastectomy supplies, wigs hats and scarves
- Lymphedema (Compression) Garments

Get Involved! Be a #UNTIL partner!

Kentucky CancerLink will provide:

- #UNTIL bracelets for staff and donating customers,
- signage
- suggested donation box.
- Choose a time frame to support #UNTIL that works for you! A day, week or the whole month of June!

Let's make a difference TOGETHER! BE the #UNTIL for Kentuckians battling cancer!

Call 859.309.1700 for more information!
